Alison Richard Joins U.S. Employee Benefits Services Group

Responsible for Business Development in New York State

Iselin, NJ, June 22, 2015 –U.S. Employee Benefits Services Group (USEBSG), a division of U.S. Retirement Partners, announced today that Alison Richard has joined its New York State office as a Sales Director. She will be responsible for the design and strategy of employee benefit plans for the public employer and school district market segment around the Albany, NY area.

Her experience as an independent insurance executive is varied and vast, specializing in health insurance. Ms. Richard has managed a diverse client base, developing and retaining business for employer groups and companies of all sizes.

“The organic growth of our firm is largely attributed to the complexity of health care reform and meeting the compliance needs of the public employer segment. We’re happy to have Alison join our consulting team to serve districts within the Albany and surrounding capital region, extending our geographic footprint across NYS. Her professionalism and expertise complement both our team and our work within the school district market,” said Eric Gilbert, Managing Director of U.S. Employee Benefits Services Group.
